**Attendees:** Supervisors Russell, Baker, Singer, Venuti, Evangelista, and Wickham

**Staff:** Mary Krause, Brian Young, Tom Harvey

**Consultants/Guests:**

**Call to Order:** Chair Russell, called the meeting to order at 6:27 p.m., and declared all members present.

Mr. Young presented to the committee his findings of support for the proposed paint stewardship program resolution. NYSAC, Senator Nozzolio, and Senator Funke are supporting this as currently presented. Assemblyman Kolb is currently not supporting this bill as this revised version will include a \$.75 fee for the consumer on each gallon of paint purchased. Mr. Harvey noted 65% of waste collected on the household hazardous waste days is paint; and that the paint manufactures also are in support of these bills even though it would include some cost for them. Mr. Harvey handed out an informational sheet from the paint manufactures to the committee members. Supervisor Wickham is not in support of this resolution as he disagrees with the user fee associated with it.
