The regular meeting of the Ontario County Board of Supervisors was called to order at 6:33 p.m. via WebEx on ontariocountyny.webex.com and at 74 Ontario Street, Canandaigua, NY 14424, with Chairman John (Jack) Marren presiding.

The Pledge of Allegiance was led by Supervisor Peter Ingalsbe, Town of Farmington.

Upon roll call, members of the Board were present.

Supervisors Mark Venuti, Christopher Vastola, and Lou Guard were declared necessarily absent.

Minutes of the preceding session was approved without being read by motion of Supervisor Todd Campbell, seconded by Supervisor Andrew Wickham; motion carried.

Supervisor David Baker stated for the record that he has not served with the County 25 years as was declared in recognition in the Board meeting on May 12, 2022.

A Public Hearing regarding Local Law 3 (Intro.) of 2022 entitled "Pursuant to Chapter 97-2011 of the Laws of the State of New York and Section 3-c of the General Municipal Law Overriding Tax Levy Limit for Fiscal year 2023" was called to order at 6:36 pm by Chairman Jack Marren.

As no one wished to speak, the Public Hearing was closed at 6:37 pm.

County Administrator Chris DeBolt reported on the following:

- He welcomed the new Economic Developer, Ryan Davis.
- He announced as the new Deputy County Administrator, Alissa Bub, beginning July 5th.
- The County will pursue a local government efficiency grant and shared service panel project submission for the roll out of the County's e-contracts system to all towns, villages, and cities who would like to participate.
- He thanked the Sheriff and the entire Corrections division; he was invited to a treatment group graduation ceremony for three incarcerated individuals who, during the course of their incarceration did a 6-week treatment program. He commended them for their growth.

County Attorney Holly Adams shared they have hired two attorneys in their office and announced her 1st Assistant County Attorney, Lea Nacca is leaving and is taking a position with Judge Doran.

Chairman Marren recognized that Gary Baxter, the County Treasurer was recognized by his colleagues around the state as a treasurer finance officer of the year for 2022 and a certificate of achievement for his services as past president of NYS Treasurer's Association.

Chairman Marren granted privilege of the floor to Supervisor Norm Teed for Ms. Eileen Cooley, resident of the Town of Phelps.

Chairman Marren granted privilege of the floor to Supervisor Andrew Wickham. Supervisor Wickham discussed the direction of the landfill and has been in discussions with Chairman Marren, County Administrator DeBolt, County Attorney Adams, and Director Jordan regarding the path going forward and what they should be doing. He said if the County landfill were to expand, the most logical area would be to the south which is owned by the Town of Seneca. He has expressed a responsibility to constituents to ask

them what their feelings are on the landfill whether it should be closed or explore other opportunities. He said next Tuesday (June 7th) they have called for a special meeting of the Town of Seneca's Board where they will hear a presentation from Causewave Group for a proposal to the Town Board to assist them in gathering public comment from the residents in the town regarding their feelings toward the landfill. They will likely go forward with town meetings if this is approved, and once they have garnered information, the town board will make a decision whether they want to do anything other than close the landfill. If they vote to close the landfill, it will be difficult, but not impossible, for the County to overrule them. If they choose to look at other options, then the County would be involved in exploring the options. Additional discussion took place with questions from Supervisor Baker and Vedora with Director Carla Jordan commenting additional information will be presented at the next Planning and Environmental Quality Committee.

Chairman Marren granted privilege of the floor to Supervisor Richard Russell. Supervisor Russell announced the Board will be receiving an invitation for a graduation ceremony that will be held for recipients who have earned their high school equivalency diploma. He said the date is June 23rd on the FLCC Campus. He explained the graduates that will be honored come from the college service area and many of them are from Ontario County with moving stories that motivated them to get that high school equivalency diploma.
