To the Board of Directors
Ontario Tobacco Asset Securitization Corporation
A Blended Component Unit of Ontario County, New York

In planning and performing our audit of the financial statements of the Ontario Tobacco Asset Securitization Corporation, A Blended Component Unit of Ontario County, New York as of and for the year ended December 31, 2022, in accordance with auditing standards generally accepted in the United States of America, we considered the Corporation's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of Corporation's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

We are pleased to report there were no current year recommendations and no prior year recommendations.

This communication is intended solely for the information and use of management, the Board of Directors, finance committee, and others within the organization and is not intended to be and should not be used by anyone other than these specified parties.
