

# Q1 Please select the area where your home, business, or property is located

Answered: 115 Skipped: 2

ANSWER CHOICES	RESPONSES	
Crystal Beach	20.00%	23
Lake shore/lake view corridor (SR 364/CR 11 and side streets) in Gorham	40.00%	46
Hamlet of Gorham	11.30%	13
Village of Rushville	2.61%	3
Live on farm/property of 10 or more acres in Gorham	9.57%	11
Live on <10 acres in rural/agricultural area in Gorham	14.78%	17
Other (please specify)	1.74%	2
<b>TOTAL</b>		<b>115</b>

#	OTHER (PLEASE SPECIFY)	DATE
1	Farm property of more than 10 acres, do not live there	6/17/2021 4:16 PM
2	3 miles outside of town	5/28/2021 6:57 AM

## Q2 What is the primary use of your property in Gorham?

Answered: 116 Skipped: 1

ANSWER CHOICES	RESPONSES	
Year round home or business (including farm)	75.86%	88
Seasonal home	21.55%	25
Rental property	1.72%	2
Year round renter of land, housing, or commercial space in Gorham	0.86%	1
<b>TOTAL</b>		<b>116</b>

### Q3 Please select your top 3 reasons for living in the Town of Gorham

Answered: 116 Skipped: 1

ANSWER CHOICES	RESPONSES
Good area to live in during retirement	36.21% 42
Able to afford house/rent/taxes	51.72% 60
Good agricultural land	12.07% 14
Live near family	38.79% 45
Marcus Whitman School District	20.69% 24
Proximity to Canandaigua Lake	62.93% 73
Living in agricultural area	18.10% 21
Other (please specify)	17.24% 20
Total Respondents: 116	

#	OTHER (PLEASE SPECIFY)	DATE
1	Liked the house	8/9/2021 8:58 AM
2	Rural, quiet, small town character	7/26/2021 4:52 PM
3	Low taxes	7/23/2021 8:43 AM
4	Living in a small, quiet community	7/9/2021 4:51 PM
5	Perfect location. Peaceful & rural. Far enough away not to have traffic and tons of people, but	6/29/2021 6:27 AM

## Town of Gorham Community Survey V5

close enough to Canandaigua to shop. Victor is only half hour away. #1 reason is low taxes.

6	Away from the city, but close enough	6/28/2021 7:30 PM
7	Small town living	6/26/2021 8:49 AM
8	Level beachfront property	6/23/2021 11:15 PM
9	Luv sharing w/fam., friends over summer	6/15/2021 11:53 PM
10	Have used the lake, roads and parks for outdoor activities for 30 years.	6/15/2021 7:57 PM
11	Diversity (in the broad sense) of the people, community and natural environment.	6/15/2021 9:34 AM
12	Family property passed down	6/15/2021 8:31 AM
13	Good roads	6/14/2021 9:24 PM
14	Friends	6/10/2021 8:00 PM
15	Live rural and scenic area, but only short drive to Canandaigua amenities	6/7/2021 8:23 AM
16	Beautiful, peaceful, natural surroundings.	5/29/2021 4:29 PM
17	Close to Canandaigua Shopping areas	5/28/2021 7:47 AM

## Q20 Please add any additional comments about planning for the future of the Town of Gorham

Answered: 58 Skipped: 59

#	RESPONSES	DATE
1	Good luck..it's not an easy task.	8/9/2021 8:58 AM
2	Form a study group to look at the growing rentals along the lake front using web sites such as Airbnb before it gets TOTALLY out of control. The town needs to set up strict guidelines about number of people allowed to sleep in a rental, reminders about expected behavior and curfews for loud partying, music etc., provide posters with these rules that have to be placed in any rental property. Homeowners (renters) should be required to post these with monetary penalties for failure to do so. Letters should then be sent to all lake homeowners informing them of what to do if there is a problem with renters.	7/31/2021 8:15 PM
3	MORE lake protection regulations for landowners in the watershed especially farm operations!	7/28/2021 9:52 PM
4	Town of Gorham is unreasonable with salting, killing vegetation and polluting Canandaigua Lake. Save money by reducing the use of salt in the winter.	7/28/2021 2:55 PM
5	Thank you!	7/26/2021 4:52 PM
6	Think long range to support sustainable green energy while conserving natural beauty of the area.	7/13/2021 12:06 PM
7	we are already paying in taxes for activities listed in question 4 to 9.	7/2/2021 12:33 PM
8	we need to be able to keep horses on smaller lots. In the future we'll have retired Mennonites and they won't all be able to live on farmettes or large acreage.	7/2/2021 12:29 PM
9	slow down the expensive housing growth	7/2/2021 10:30 AM
10	Do not allow Canandaigua Shores development to look like Keuka Shores!! Limit size and number of buildings and mandate there must be 20ft minimum green space between buildings and between buildings and driveway/culdesac road.	7/1/2021 9:20 AM
11	Expand water, sewer and internet	6/28/2021 7:30 PM
12	The Town needs to push very very very hard to procure high speed (fiber or cable) internet for the rural areas!!!!!!	6/28/2021 5:34 PM
13	Would like to see limitations on building new housing developments along the lake. Also to set new lot coverage percentages and hold to them. Try and reduce variances.	6/26/2021 8:49 AM
14	I would like to see the speed limit 35mph extended on route 245 past Goose St. Extended to encompass residential driveway access. Add another 35mph Speed zone Sign across from Dr. Office on Rt 245. Replace the 55 mph sign rt 245 at Goose st with a 35mph. Traffic is way too fast in this area with many blind driveway access points. Thank you	6/26/2021 8:46 AM
15	Town should reaffirm efforts to preserve/protect its ag and lake resources . Current CP and Design guidelines call for such action; concerned not happening resulting in lose of character	6/25/2021 5:39 PM
16	Would love to see more sidewalks up main street and public trash cans. Love the little park in town, would be nice to see it maintained (water fountain, trash can).	6/25/2021 1:55 PM
17	The lake is your bread winner via taxes on high property values. Everything must be done to maintain and improve the quality of the lake. If lakeside property values plummet, so does the Town's income.	6/23/2021 11:15 PM
18	agriculture and development can both be compatible with environmental protection so I am really not against development in the central areas of the town but I think there is inadequate water quality protection in both the acriculatural and development communities. I think traffic is a jmajor issue along 364 and CR 11 and current zoning funnels development along the 364	6/19/2021 1:54 PM

## Town of Gorham Community Survey V5

corridor where it really cant be accommodated. The large lot residential areas are in areas that could much more easily accommodate more traffic. I think the town prioritizes agriculturaure and fails to protect the lake side residences and the lake itself. Lake shore residents are a minority and often dont vote in the town but do pay a lot of the taxes. In addition, the recreational and tourism value of the lake is enormous and has not been appropriately prioritized.

19	I think the health of the lake is incredibly important for the community. The town should do all it can to reduce the erosion and flooding from the surrounding hills.	6/19/2021 8:46 AM
20	Questions #4-9 don't clearly ask if referring to existing budget or willingness to pay additionally? Poorly written. Question #10 doesn't provide enough data for most folks to make informed decision. What is the status of Comp Plan update? Why weren't the Goals/Recommendations from last Comp Plan enacted? Why wasn't this survey emailed to Gorham Town Residents and included in the Gorham Newsletter this Spring? What percentage of residents need to respond to consider this survey valid?	6/18/2021 11:19 AM
21	Lack of public water continues to be a disadvantage in the Town of Gorham. Also, lack of any new housing such as Townhomes or 55+communities. Also, cell phone service is spotty within the town and internet access is limited to only Frontier Telephone service in some areas.	6/18/2021 10:37 AM
22	I'm sorry to say I'm not up to date regarding the planning and future of the Town of Gorham. This is our forever retirement home and preservation of our beautiful lake is always a concern. Thank you for anything you are doing to preserve this peaceful setting. It really is - "The Chosen Spot".	6/17/2021 10:39 AM
23	Some questions seem poorly written. I don't understand #4-#9, in terms of how much money I am willing to spend. Are you asking percentage, or if I am willing to spend \$100 on one of these items? We have owned a lakefront home for 40 years, living there seasonally. We are most concerned with health of the water, run off from agriculture, preserving the lake, lakeshore and ecosystem.	6/16/2021 2:47 PM
24	It's very, very important to eliminate runoff of farm chemicals, fertilizers and waste into the lake. The lake is the jewel of the area and needs protection.	6/16/2021 10:05 AM
25	Hopes for the future of our property-pave Kipp Road and expand town water up Kipp road from Rte. 364.	6/16/2021 9:45 AM
26	Respect and sustain the natural beauty and health of the lake. and surrounding lands, for the use of all, not for the benefit of any individual sectors. Respect everyone else's property, and property values	6/15/2021 11:53 PM
27	I have concern regarding the farm run-off (chemicals and waste) and the quality of our drinking water/water supply.	6/15/2021 7:57 PM
28	Wrote that above. Respect and improve this beautiful, productive and natural area.	6/15/2021 3:06 PM
29	Thanks for asking	6/15/2021 12:26 PM
30	preserve wild areas. Limit new housing and commercial development.	6/15/2021 10:45 AM
31	Gorham benefits from a robust diversity of people and purpose, beautiful landscape and its proximity to Canandaigua Lake. It also enjoys the conveniences of nearby Hopewell, Canandaigua and Geneva. The community need for large scale commercial development is very limited. The town has done a good job maintaining that balance.	6/15/2021 9:34 AM
32	I responded 0 to spending to expand public water because the extension of water into agricultural areas will inevitably result in undesirable housing development. However, if harmful algal blooms continue to worsen, areas that depend on private water supply from the lake will be problematic, in particular properties which have no feasible well solution.	6/15/2021 8:48 AM
33	Preserve agricultural land and maintain commitment to watershed conservation.	6/15/2021 8:10 AM
34	I would welcome the opportunity to serve on a board for the town	6/15/2021 7:08 AM
35	Beautiful place and good job so far!	6/15/2021 6:46 AM
36	Continue with basic renovations to the towns two waterfront parks. Reduce taxes or at least stop annual increases, it's too much.	6/15/2021 2:07 AM
37	I attended the meeting on developing the walkability and bike-ability of the County Rd 11	6/14/2021 9:52 PM

## Town of Gorham Community Survey V5

corridor. This will not happen unless the 1/2 mile stretch of County Rd 11 is reduced from 55 mph. There isn't even a 35 mph AHEAD sign. The speed limit is 45 mph on CR 11 in Middlesex, then it is 55 mph for 1/2 mile and suddenly turns to 35 mph. The surge in speed when people are walking and biking up the last steep hill makes it very unpleasant, not to mention the exhaust they breathe as they are huffing and puffing up that hill.

38	I am strongly opposed to high density development. That is not the historic character of Gorham and it would be a mistake to alter that character.	6/14/2021 9:37 PM
39	Limit development of residential tracts.	6/14/2021 9:25 PM
40	Responsible road salt management; NOT the current throw down as much as you can!	6/14/2021 9:24 PM
41	Questions 4-9 ask, "how much you would be willing to pay annually for each of the following six activities? " These questions seem to be asking citizens their willingness to pay higher taxes. In light of the current real estate taxes and the newly imposed town tax, I have answered \$0 to most of these questions. If the intent of these questions is to provide the Comprehensive Planning committee with a prioritization of citizens' land use concerns, the question needs to be reworded. If it means a tax increase, it should clearly state that fact. If it is meant to aid in allocating existing taxes (no increase) it should clearly state that as well. Some of us don't believe our tax dollars are being well spent. Question 10 is difficult to answer as presented. It does not provide topography to allow an understanding of existing land use or where ridgelines, gullies, woodlots or steep slopes exist. It also doesn't offer single family homes versus concentrated, multifamily homes as an option.	6/11/2021 10:09 AM
42	Reliable internet is a larger concern for me than wide spread public water. Please help us get reliable internet!!	6/10/2021 8:00 PM
43	keep family friendly	6/4/2021 10:07 AM
44	NO SHORT TERM RENTALS	5/31/2021 7:49 AM
45	I have no great "vision" for the future. Please just continue managing and maintaining in a sincere, equitable, environmentally conscious manner.	5/29/2021 4:29 PM
46	Keep a watchful eye on spending	5/28/2021 6:57 AM
47	We need public water on route 245 from Rushville to Gorham. Many residents now haul water year round.	5/27/2021 10:33 PM
48	Take advantage of the SR364/CR11 corridor for more residential neighborhoods, walkability/bikeability (lower speed limit, add sidewalks or bike paths), improve Deep Run & Ontario beach parks, and commercial development (Crystal Beach village to add more restaurants, shops, or convenience stores).	5/27/2021 6:17 PM
49	i feel that anyone who pays taxes for houses ON the lake should have transfer station fees included in their taxes.	5/24/2021 7:26 AM
50	Proper farming practices like grassland farming, cover crops, and no open ground will go a long way protect water quality.	5/20/2021 9:32 AM
51	Keep up all the great work at the highway department, nicely mowed ditches and plowed roads. God Bless you.	5/20/2021 9:28 AM
52	Less tax dollar spent on salting roads when unnecessary. Put pavement on Jones Road instead of patching potholes with sand/gravel which results in bigger potholes with the next rainstorm. Use harder pavement on rural roads. this minimizes the damage steel wheels & horse shoes cause in warm weather. Use less salt as this is damaging to vehicles in winter and hard on fields along roadsides. Put in a scenic overlook on Twitchell Road for tourists. Less strict zoning laws pertaining to agriculture (i.e. permits for fences) and more strict pertaining to fertilizer and chemical runoff from lakeshore lawns, sewage, building byproducts, blacktopping etc. Chemicals from lakeside lawns cause algae blooms. Thanks you for all your maintenance! We appreciate your efforts to preserve Gorham's farming communities.	5/20/2021 9:21 AM
53	You're doing a great job!	5/20/2021 9:10 AM
54	I would like to see the village and towns keep that small town country feel not be overrun with housing developments and such.	5/12/2021 3:08 PM
55	It would be nice to have sidewalks taken care of and cleaned in summer and especially winter.	5/12/2021 11:45 AM

## Town of Gorham Community Survey V5

It would also be nice if some property owners were made to clean up the outside of their home.  
(Junk/mow lawn)

56	The scenery, water supply from the lake & fingerlakes as a whole should be protected zone from dumps and heavy industry.	5/2/2021 3:13 PM
57	Regulation of B&Bs and party houses must be a priority	4/15/2021 4:59 AM
58	make zoning allowances for tiny houses protect and promote historical and educational assets of the town	4/13/2021 4:23 PM
