26. Purchasing Practice:

No Officer of the County, nor any employee thereof, including officers and employees of the Finger Lakes Community College, shall make any purchase or incur any expenses chargeable in whole or part to this County without first obtaining the authorization of the County Purchasing Agent pursuant to Resolution No. 759-1982, adopted on December 30, 1982, as well as amendments pertaining thereto. No claim for any purchase made or any expense incurred in violation of this rule shall be audited.

This rule shall not apply to purchases made or expenses incurred by the County Commissioner of Social Services or other County Officer or employee when such is authorized or directed by general or special statute or order of a court of competent Jurisdiction, or by resolution, or local law passed by the Board.

This rule No. 26 may be rescinded, suspended, or changed in accordance with Rule No. 23 in order that a claim for any purchase made or an expense incurred which violates this Rule may be audited by this Board.

27. Officers, Compensation of Elected:

Any motion or resolution relating to compensation of elected County Officers shall be presented at a regular session of the Board of Supervisors at least eight months prior to the beginning of the term of office of such officers, but if presented at the last regular session in the month of April, it shall be acted upon at such April session; this rule supersedes all provisions to the contrary as set forth in Rule No. 23. Nothing in this rule shall be deemed to deny or curtail the powers given the Board of Supervisors to increase salaries of elected officers during the term of office in accordance with Subdivision h, subparagraph 2 of Section 24 of the Municipal Home Rule Law.

28. Committee, Chair's Power to Refer to:

All petitions, communications, and reports and motions requiring action of a committee shall be referred by the Chair, without motion, to the committee having charge of matters relating to the same.

29. Attendance and Late Arrivals:

Any member knowing, they will not attend a session of this Board must inform the Board Chairman or the Board Clerk's office prior to the meeting. Any member attending a session of this Board subsequent to roll call shall address the Chair and request that his or her attendance be noted in the record.

30. Quorum:

A quorum shall consist of enough members present having at least a weighted voting majority. If those present do not have a majority of such voting power, those present shall adjourn forty-five minutes after the time set for the session.

31. Committees, Weighted Vote:

Because committee reports and recommendations are not binding upon the Board, Standing and Special Committees shall not use a weighted vote in the work of the committees, but however, any member of the Board may offer, at any time, a motion or resolution regarding any matter referred to Committee with or without the benefit of the Committee's report or recommendation.

32. Resolutions, Filing Deadline:

No resolution shall be offered unless it first has been filed with the Clerk of the Board by noon of the fourth working day prior to and not including the day of the session at which it is offered. Any resolution which has been filed in accordance with this rule may be offered by any member of the Board at the next scheduled Board meeting. This rule shall not apply to special meetings of the Board under Rule 6, nor to the Organization Meeting of the subsequent year, under Rule 2. All informational materials for resolutions being considered shall also be given at such time.

33. Local Laws, Procedure for Adoption:

A resolution shall introduce a proposed Local Law and authorize the setting of a date for all necessary public hearings and may authorize the Clerk to give notice thereof. Each local law shall be presented by the delivery of a copy thereof to each supervisor, and by notation thereof as a Communication. Each local law shall be adopted as a local law, with a resolution of adoption, and the Clerk is hereby authorized to renumber local laws as necessary to satisfy the requirements of the Municipal Home Rule Law.

34. Videoconferencing:

The extent authorized by New York State law and by Executive Orders, Board and Committee meetings may be conducted via Videoconferencing using a platform approved by the County. This policy shall apply only during the aforementioned authorized periods and shall end upon order of the Chairman of the Board or as required by New York State law. This policy shall not be precedential for any other time periods.
