Re: Bridge Replacement Project –Town of Gorham  
Tileyard Road over Flint Creek

Ontario County will be closing the Tileyard Road Bridge located in the town of Gorham on September 11, 2023. The road closure is required to allow our contractor replace the bridge. The bridge is located just west of the Seneca town line. The posted detour will follow Goose Street, Charlton Road, and Old Mill Road to Mott Road. The bridge is tentatively scheduled to be reopened in mid-June of 2024. A map of the project detour is enclosed.

The County will be notifying town officials, local schools, emergency service providers and the post office of this closing. In addition, portable message boards will be installed on both approaches to the bridge to inform the general public of the closure. Please contact me at 585-396-4004 should you have any questions.

Sincerely,

Jesse M. Gotham, P.E.  
Ontario County
