NEED A STANDARDIZED BENEFIT VERIFICATION LETTER? GET IT ONLINE

If you need a Benefit Verification letter, sometimes called a “proof of income letter,” we have good news for you! Your Benefit Verification letter is available online when you need proof of Social Security benefits, Supplemental Security Income, or Medicare.

In addition to your name, date of birth, and the benefits received, your Benefit Verification letter includes other identifiers to prevent misuse and fraud. This is an added benefit to you as proof of income for loans, housing assistance, mortgage, and other verification purposes.

The same letter is also available if you need proof that you do not receive benefits, or proof that benefits are pending.

If you are an individual representative payee, you can use the **my Social Security** Representative Payee portal to access the Benefit Verification letter online for your beneficiaries.

You can get your Benefit Verification letter anytime using your personal **my Social Security** account. You can use any device to quickly and efficiently access your Benefit Verification letter. Request it today at www.ssa.gov/myaccount.

Most Social Security services are available online by visiting www.socialsecurity.gov, and by calling Social Security toll-free at 1 (800) 772-1213 or 1 (800) 325-0778 TTY

Remember, visit www.ssa.gov/agency/emergency/ for up-to-date information about Social Security Office Closings and Emergencies. Subscribe to state or territory specific updates!

UNDERSTANDING SOCIAL SECURITY SPOUSES' BENEFITS

Did you know your spouse's benefit amount could be up to 50% of your spouse's full retirement age benefit amount? If you qualify for a retirement benefit from your own work history and a spouse's record, we always pay your own benefit first. You cannot receive spouse's benefits unless your spouse is receiving their retirement benefits (except for divorced spouses).

If you receive your retirement benefit before your full retirement age, while waiting for your spouse to reach full retirement age, your own retirement portion will be

reduced. When you add your spouse's benefits later, the total retirement and spouse's benefit together will be no more than 50% of the worker's amount. You can find out more about this at

www.ssa.gov/benefits/retirement/planner/applying7.html.

Knowing about these benefits can help you plan your financial future. Access a wealth of useful information on our retirement portal at www.ssa.gov/benefits/retirement.
